Dear Sir,

Please find enclosed two copies of a manuscript entitled *Climate change, Hurst phenomenon, and hydrologic statistics* by D. Koutsoyiannis, to be considered for publication in *Water Resources Research*. In the attached page please find my suggestions for potential reviewers.

I understand that it is WRR's policy that all manuscripts submitted for publication must be original papers that have not been previously published or that are not under consideration elsewhere. My signature below affirms that I understand the policy and that this paper:

1. is not currently under consideration in any form, anywhere other than WRR; and
2. has not been previously published in any form anywhere else.

I am looking forward to hearing from you at your earliest convenience.

Sincerely,

Demetris Koutsoyiannis
